Rules and Guidelines

Hello everyone,

Welcome to the "ThingsYouDidntKnow" subreddit! This space is dedicated to sharing **hypotheses, theories, creative thoughts, and unheard-of ideas**. We believe that innovative thinking and unique perspectives can lead to amazing discoveries, so let's keep this community **friendly, engaging, and open-minded**.

Community Guidelines

1. Respect and Civility

- Maintain a respectful and civil tone. Discussions and debates are encouraged, but **trolling, personal attacks, or any form of harassment will not be tolerated**. The ideas shared here are important to those who post them and could be valuable for future study.

2. Share Innovative Ideas

- This subreddit is about fostering curiosity and knowledge sharing. Whether it's a new hypothesis, a creative theory, or a concept that challenges conventional thinking, we welcome your contributions. Remember, **forward-thinking leads to new inventions** that, in sci-fi, may become our reality.

3. Avoid Misinformation and Hateful Speech

- Ensure that your posts are appropriate and adhere to our content guidelines. **Refrain from spreading misinformation or engaging in hateful speech**. This guideline does not apply to posts that fall under rule 2, which encourages innovative ideas and forward-thinking concepts. Instead, this rule is about posts that may not belong in the category and are more likely to go against the spirit of rules 1 and 4. **We value inclusivity and respect for diverse perspectives**.

4. Support for Creative Science

- In the creative world, there is no wrong way to view science. The foundation of today's technology and innovation was built by those who dared to think creatively. **Forward-thinking leads to new inventions** that might shape our future.

Moderation

If you have any questions or concerns about the rules or the content posted here, feel free to reach out to the moderators. They are here to help maintain a positive environment and address any issues that may arise.

Thank you for being a part of this community. We look forward to seeing your groundbreaking ideas and innovative thoughts!
